

Ronald Oxley. Vice President. FiXs

Ron Oxley is the Executive Vice President, EVP of Corporate Strategies of SolPass, LLC. He has had a distinguished career spanning 40 years with the U.S. Federal Government and private industry. Ron has held senior executive positions with the Office of the Secretary of Defense and with the Departments of the Navy and Air Force.

Ron's interest in cybersecurity blossomed while working at the Office of the Secretary of Defense, where he monitored the development of defense-wide strategic vision and implementation plans for command, control, communications, intelligence, surveillance and reconnaissance. He subsequently worked as a senior level executive with federal government contractors including Litton Industries, Emergent Information Technologies and L-3 Communications.

He has a Master of Science degree in Systems Management from the University of Southern California and a Bachelor of Science degree in Business Administration from California State University. He served in the U.S. Army from 1966 to 1968, including a tour of duty in Vietnam.
